

**SOLVING
— THE —
ORGANIZATION
PUZZLE**

**An organization creates
value through work.**

**The goal is to excel
at that work.**

**Work is accomplished
through tasks...**

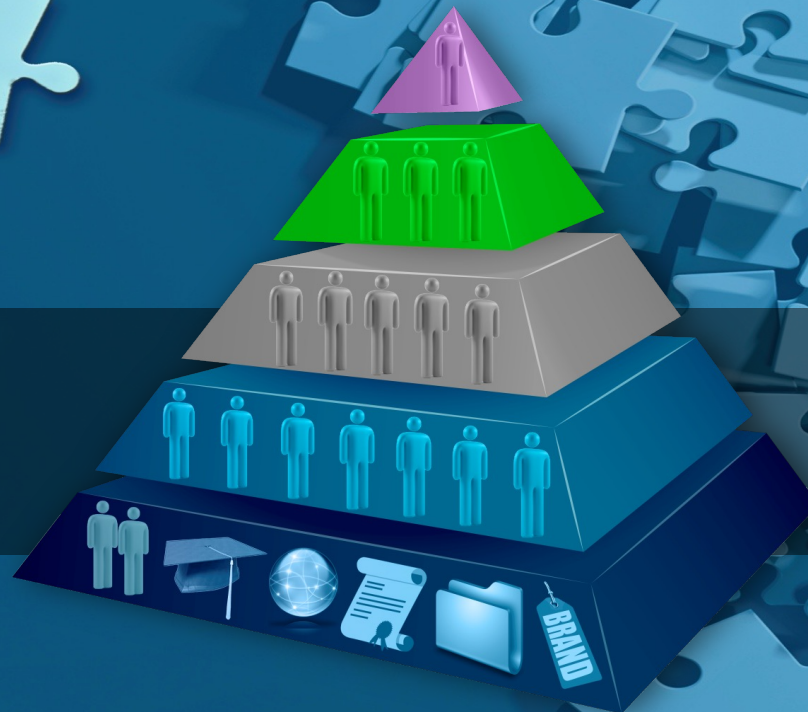

**A task is like
a puzzle piece**

And if a task is
a puzzle piece...

The organization is
a 4000 piece puzzle

*What does the puzzle
look like in your
organization today?*

- Construction?
- Content?
- Completeness?
- Fit?
- Alignment?

How does your puzzle impact organization performance?

Customer
Value

Quality

Time

Cost

Service

Profit

How can you construct the puzzle to drive your desired results?

- **Content**
- **Boundaries**
- **Alignment**
- **Ownership**
- **Responsibility**

The organization puzzle as a series of value streams...

Asset Value Streams

Fulfillment Value Streams

Where are the workflow opportunities in your organization?

BEM partners with clients to :

- **Define** the puzzle
- **Diagnose** the opportunities
- **Streamline and align** the work
- **Implement** change
- **Deliver** lasting improvement

Thank you!
